

Seed orders from Kings Catalogues

Kings Seed catalogues and order forms are available from Leominster Town Council Offices, Corn Square, from mid-September to the end of September. Just ask at the desk.

Please drop your order forms and remittances in to John Braithwaite 11 Ryelands Road, Leominster, using the following as a guide. The dates will be on the catalogues:

---- November, for early orders.

---- December, final date for orders.

Please ensure your contact details are on the form and that you enclose your remittance, allowing £1 for P & P.

You will be contacted when your order arrives, to let you know when to collect them from Leominster Town Council Offices.

For later-planting items such as Seed Potatoes, Kings deliver these nearer to their planting time, so please refer to the catalogue for details.

Thank you,

Leominster Allotment Association
