

Important Notice

Following the instructions around movement and gatherings from the Prime Minister on 23 March 2020, we are consulting with central government but as we understand the situation at the moment it is still permitted to visit your plot, to take daily exercise on their own or with members of your household. It is vitally important that you follow all the advice about social distancing and hygiene in the points below and not gather together on site.

Any plot-holder who is self-isolating because a household member is ill with coronavirus should not be visiting the site.

Associations should display an advice notice on their boards. It is important that anyone attending the allotment takes care to stay the appropriate distance from others, avoid body contact and wash hands at taps, do not wash hands or use detergents in the water tanks and please pay attention to notice boards.

It is essential that no unauthorised people are allowed onto the plots for the duration of this emergency, if you do wish to bring someone to assist with work on the plot, please ensure that that this is notified either to Secretary or Site Manager. Careful consideration should be given to introducing anyone over 70, those with underlying illness or pregnant women.

We are living through a crisis, the likes of which none of us has experienced before, not since war time has the community spirit that exists on allotment sites been more important. Please remember to look out for one another during these very difficult times.

Members should take the following precautionary measures :

Keep hand sanitiser in your shed and wash your hands regularly

Use hand sanitiser before opening and closing any gate locks

DO NOT gather together for a chat even if you are 2 metres apart

Observe "Social Distancing" with each other 2-3 metres

If you take your children to the plot, ensure that they stay within its confines and do not run around on communal paths and spaces.

Do not share tools

Minimise the contact with each other for example no handshakes

Do not wash your hands in water troughs

We recommend that all communal facilities are closed
