

Ginhall Allotments – Veteran Scheme

The veteran scheme at Ginhall Allotments is for those long serving tenants who wish to give up their plot but would still like to stay within the community of the allotments. You will still have possession of your key which gains access to the site and community shed.

There may be an opportunity to rent one of the community mini plots, please contact Leominster Town Council to see if these are available. If not, you are more than welcome to contribute to the maintenance of the allotment community garden.

Tables, chairs and the community kitchen are available on the community area for you to be able to meet other veterans and plot holders.

The fee to become a veteran is £5 per annum which is payable to the Leominster Allotment Association to cover membership.

If you decide to leave the veteran scheme please inform Leominster Town Council and hand in your key.

All veterans must abide by the rules stated in the Allotment Contract on behaviour and conduct.

If you wish to join the veteran scheme, please sign below.
